

Student Life Club/Organization Points Program

The Student Life Department's Club/Organization Points Program is designed to increase club/organization accountability and participation. Club/Organization points are accumulated from September 1 to August 31 each year. The year's "Outstanding Club/Organization" will be named at the Annual Student Life Banquet, and is decided exclusively on points accumulated. In addition, these points will have a direct influence on the Annual Fee Allocation Process.

Criteria for earning points:

- ❑ The club/organization must be represented by five or more members per event/activity
- ❑ Any individual holding membership in more than one club/organization may represent only one club at an event/activity
