Kevin suggested the idea of making a new rule for the basketball tournament. He is interested in having the rule that at least one girl must be on the basketball roster for each team.

Black History Month which is in Feb. there will be a display. Kevin added that we would like the display to travel to places on campus. Bruce informed us that if it was to travel it would only go to one or two locations that have not been decided yet.

Finally Kevin relayed that the BMI Testing will be this Friday if anyone was brave enough to attend.

Good of the order:

TJ Stryker, PTK: Stated that they are working on regionals and hoping to work on Nationals after that. TJ also said they are still in the planning stage and hoping for a relay team soon.

Keith Gable, NGE: Spoke about several activities and needs. The group is in the planning phase of a party, but working out getting a counsel has proven difficult at the moment. He is very interested in participating in the relay for life again. He really enjoyed that. Keith has made a request for all the clubs to send him new pictures of the students and activities. He does not have new or good quality pictures and the web site is looking plain.

Crystal Robol, Ambassadors: She spoke about how the group helped last December with the parade. Crystal then added that the group and she are currently working with the Chamber of Commerce Ambassadors on activities. She will have more to report at the next meeting.

Weston Streber, ACR: Looking to attend upcoming trade show.

Savanna Doughty, SNA: Spoke about helping with the Christmas party for the kids. They both enjoyed that and look forward to working together on other projects. They will be having a speaker from Muskogee Nation to do a seminar. Leah did not have the information at the time. They too are still in the planning phase.

Beverly Dennis, RHA: Next Wednesday, January 14 will be their next meeting. At the current time, they are planning a pre-valentine's dance for Feb. 12, 09.a

James McCullough, FAD: Spoke about their next meeting on Wednesday Jan. 14, 09. At this meeting they will have raffle ticket drawings and they plan on having a Spring Day Trip sometime soon.

Judd Jennerjahn, Horology: Their hopes are really high in gaining points and helping others out with activities. They are planning a Texas Hold'em game sometime soon.

Junior Henry, MISA: Announced they will be having a meeting next Wednesday as well. MISA will be working on putting on a talent show. Also on their agenda they plan to have a cookout with all the different culture foods. More information will be given later.

Bruce Force then took the floor and asked everyone if they like the time the Student Life Awards Banquet at Lunch? Everyone present said they liked it and that they think the time should stay over the lunch hour instead of the evening, that way more people can attend.

Bruce Force adjourned the meeting at 12:20pm.
