Force said he can share the OSU Communications e-mail that everyone gets, some of our students attended Stillwater's Cultural Night, and he will check into other activities they offer to see if he can get some more happening on this campus. Stryker asked for a place to store club stuff and a meeting room. Force said Student Life staff plan on creating a place just for that when the Child Care Center moves. Stryker asked about the findings of the Higher Learning Commission. Force said we need to make a five-year report on assessment and strategic planning. Crosswell asked if the Activity Request and Points Verification forms can be consolidated. Force stated that one is completed before the event, while the other is submitted afterward, so no, they cannot be combined.

Force reminded everyone about the mandatory PCard Training scheduled on the 13th at 10am.
