Concurrent Enrollment Guidelines

The following documents must be submitted to apply for Concurrent Enrollment to Oklahoma State University Institute of Technology:

1. Application for Concurrent Enrollment

(Note: a new application is required EACH semester you attend OSUIT as a concurrent student)

2. Official High School Transcript

3. ACT or SAT scores

■ Admissions Requirements

To be admitted as a concurrent student to Oklahoma State University Institute of Technology the student must meet the following performance requirements and satisfy the curricular requirements.

Performance Requirements

Seniors: minimum composite score of 19 ACT or 900 SAT OR have a 3.0 GPA on a 4.0 scale.

Classification of Senior begins the summer after the junior year is completed.

Juniors: minimum composite score of 21 ACT or 980 SAT OR have a 3.5 GPA on a 4.0 scale.

Classification of Junior begins the summer after the sophomore year is completed.

Home Study or Unaccredited High School Students:

Concurrent students who are receiving instruction at home or from an unaccredited high school must be 17 years of age and meet the requirements for high school seniors as listed above or be 16 years of age and meet the requirements for high school juniors as listed above.

Curricular Requirements

Concurrent students must be able to satisfy all curricular requirements for graduation from high school (including curricular requirements for college admission) no later than the spring of their senior year.

■ Course Enrollment Requirements

To be enrolled as a concurrent student at Oklahoma State University Institute of Technology the student must earn a score of 19 or higher on the ACT subject test for the area(s) in which they want to enroll. Subject tests include English, reading, mathematics and science reasoning. An ACT subject score of 19 in reading is required for enrollment in any subject area other than English, mathematics and science reasoning. Institutional secondary testing may not be used for placement.

Also, concurrent students may not enroll in remedial (zero-level) coursework offered by colleges and universities and designed to remove high school deficiencies.

Course Workload

A high school student may enroll in a combined number of high school and college level courses per semester not to exceed a full-time college workload of 19 semester credit hours. A student may enroll in a maximum of nine semester credit hours during a summer session. For purposes of calculating workload, one-half high school unit shall be equivalent to three semester credit hours of college work.
